Mr. Pepar Anspaugh
Sarasota School Of Arts/Sciences
Sarasota County School District
645 Central Avenue
Sarasota, Florida 34236-4016

Dear Mr. Anspaugh:

Congratulations on your outstanding performance! The State of Florida is awarding \$56,750 to Sarasota School Of Arts/Sciences for outstanding academic performance during the 2005-2006 school year.

The 2006 Florida School Recognition Program rewards schools that receive an "A" or improve one letter grade from the previous school year. Earning recognition is a distinct honor. Your school is a proven leader in providing a quality learning environment that allows all students to reach their full potential. Your successes demonstrate a commitment to academic achievement and serve as a model for providing the high caliber of education all Florida students deserve.

The funds can be used for nonrecurring bonuses to your school's faculty and staff, nonrecurring expenditures for educational equipment or materials, or for temporary personnel to assist your school in maintaining or improving student performance. With funding provided by the Legislature, the state calculated awards based on \$100 per full-time equivalent student. Awards will be electronically transferred to your school account. You may access the funds as soon as your school's staff and school advisory council jointly decide how to use the award.

Please extend our warmest congratulations and sincere thanks to your school's staff, school advisory council, students, and families for their hard work and dedication to the success of Florida's students. We are proud of their accomplishments.

Again, thank you for your leadership in rising student achievement. Our best wishes to your entire school family for continued success in the new school year.
