

Would you like to be part of the

# 2015/2016 SSAS Drumline?

**Our first meeting will be held in the Music Room (118)**

**Wednesday, September 2<sup>nd</sup>**

**4:15 to 5:00pm**

**Attendance at this meeting is mandatory for the interested student and at least one parent/guardian.**

Why? Drumline is not a normal club. It is a performing ensemble that rehearses every Wednesday and a few additional days before performances, and plays for audiences several times per year. It's crucial that everyone involved understands what we do and what is required in order to participate. We will discuss our plans and requirements, distribute schedules, answer questions, and ask our students and parents to fill out and sign our application/contract.

*\*If a parent cannot attend because of work schedules, etc., it will still be necessary to discuss the requirements with Mrs. Bestreski and sign off on the application before the student will be allowed to participate.*

**This year's drumline is going to play well and have a great time as always! Prior experience and/or enrollment in a band class are highly recommended but not required. We will accept any student who is rhythmically capable, so come on out!**

**See you there!!!**
