

Tiger Idol

Tiger Idol is an after-school program modeled after the hit TV Show "American Idol." Students audition for the show and are narrowed down to a Top 10 by our panel of judges. Every week, on Tuesdays, the contestants will perform a song during the show, after school, in the cafeteria. Students, parents, faculty, and staff watching the show are allowed to vote at the end of the show. Each week, one contestant is eliminated, until we reach the winner, the Tiger Idol. This year will be the final season of Tiger Idol!
