The Student Council Exists To Serve Students...

It will only be as active, effective, and concerned as each student member is!

Student Council Membership Goals:

- Helping others
- Having initiative
- Taking pride in school spirit
- Encourage students to become involved in school decision making
- Sharing student ideas, interests and concerns
- Help raise funds for people in need
- Coordinate social events for student body
- Act with Integrity.
- Create a climate of caring and tolerance through volunteerism and service to others

Student Council Leadership Responsibilities:

- Being a positive school leader
- Working with new members and younger students as mentors
- Giving every student the opportunity to participate
- Striving to develop leadership skills and knowledge
- I understand that StuCo is a privilege and that I represent my fellow students—on and off campus. If I fail to uphold these values and responsibilities, I may be put on probation and removed from Student Council.
