

Manatee School Bus Request Form
Manatee County Residents
Due April 6th, 2018

Dear Parents and Guardians of new SSA+S students or new residents to Manatee County,

SSA+S offers one bus route to Manatee County. Unfortunately, there is not always space for everyone to utilize the bus. All incoming 6th graders from Manatee County that are interested in a spot on the bus need to fill out this form. On April 6th, 2018, we will hold a lottery of all available seats, and an email will be sent informing you if there is a waiting list. If you have a sibling that currently attends, you are guaranteed Manatee bus transportation, and still need to fill out this form.

Luckily, during the past three years, we have not needed to utilize a waiting list, however, we are taking appropriate precautions to ensure that the bus is not overloaded. If you are a Sarasota County Resident, transportation is provided by Sarasota County School Board Transportation and you do not need to worry about transportation for your student. Please feel free to contact me with any questions you may have.

Sincerely,

Chris Leach
