Agenda Book Procedures

- The agenda book is an important tool that teaches our students responsibility and reinforces communication between parents/guardians and teachers.
- All pages of the agenda book must remain intact for the entire year.
- Students must keep pages free of inappropriate language. In addition, students may not write notes to other students in agenda books. If an agenda book is used in this way, then the student must replace it within 48 hours.
- The agenda book also serves as the students' hall pass and must be in their possession at all times. Students may not remove the hall pass pages from the agenda book and use those separately.
- The students are required to bring their agenda book to all classes and write all homework assignments, tests, and quizzes.
- The agenda will be used not only for assignments, but also as a means for the teacher to write notes to parents/guardians and include important paperwork in the pocket folder.
- Along with our website, www.ssas.org, and the parent/student portal, the agenda book promotes effective lines of communication and encourages responsible behavior on the part of each student. SSA+S supports "green" efforts and will update the school website with important information on a regular basis.
- Team News will be posted weekly online and is sent via email with a limited number of paper copies available each week in the cafeteria "news" and bulletin bins.
- **Parents/Guardians must read and sign their child's agenda planner each week. Signing the agenda book confirms that you have read the weekly Team News, along with agenda book notes from teachers which may incorporate homework and projects. Failure to sign the agenda will result in your child not being eligible to participate in *Spirit Day.**
- **If an agenda book is lost, a new one must be purchased for \$10.00 within 48 hours from the front desk. There will be no exceptions; failure to replace it within 48 hours will result in a detention.**
- **It is the responsibility of the students to keep their agenda book with them at all times or they will not be allowed to leave their classrooms without them unless there is an emergency.**

Attendance and Makeup Work

Acceptable Attendance:

Students are expected to attend school each of the 180 regular school days; however, it is understood that excused absences will occur.

Maximum Allowable Tardies and Absences:

- 10 Excused Absences – these are flex days and sick days (w/out Dr.'s Note).
- In order for a tardy to be considered excused, the parent must submit proof of doctor, dental, or other professional appointment.
- After having four unexcused tardies in a quarter, students will receive a detention. Every second tardy thereafter, will result in a detention.
- Extended absence due to family travel or personal leave must be approved by the Principal in advance and apply to the flex days.

Student Absences

- In complying with the state's compulsory attendance law, each absence will be recorded as either "excused" or "unexcused."
- For an absence to be excused, a "Note to School" form must be completed by the parent and submitted to the Front Desk Coordinator within three days of the absence and qualify as one of the following:
 - Anytime that a student misses 3 consecutive days, parent contact will be made

Excused Absence: an excused absence is one which results from:

- Illness of student to be documented by the parent/guardian.

- When a student accumulates 5 unexcused absences a documented letter will be sent home
- When a student accumulates 10 unexcused absences a mandatory meeting with Administration and Guidance is scheduled
- When a student accumulates 15 unexcused absences DCF is contacted by the school

Attendance Requirements for a High School Credit:

- This includes Spanish I, Algebra I Honors, Speech I, Speech II, Biology I, Global Perspectives, and Geometry Honors.
- Any student whose unexcused absences result in less than 135 hours of the required 150 hours of instruction in a course providing one full credit towards high school graduation, will not be awarded credit for said class.

Appointments/ Leaving School

- SSA+S is a closed campus, and students may not leave the school grounds during the school day.
- **Students, who need to leave for medical appointments or for other reasons, must bring a note from home, to the main office, before school.**
- The parent/guardian will use “A Note to School” which may be printed from the school webpage. Click on “Attendance” for the form.
- We request that students are not dismissed for the last ten minutes before the last bell. Sending in a note to school will have your child waiting for you at pickup time in the office.

Make-up Work

- Make-up work, following an absence, will be due after the same number of days missed. For example, if a student misses three days, he/she will have three school days in which to make up the assigned work.
- It is the student’s responsibility to follow the appropriate procedures when making up missed assignments.
- Previously assigned projects, tests, or quizzes will be due/ completed upon the student’s return to school.
- Parents can contact teachers directly via email or voicemail, if they need the office to collect work after three days missed or they may request a homework packet from the Front Desk Coordinator. Parents must contact the office 24 hours prior to pick up.

Parent/Teacher Concerns

- If questions or concerns arise regarding a student, the parent/guardian should first contact the teacher directly or meet with them individually.
- Each grade level has a designated Team Leader.
- These faculty members can be found online on our school website.
- Parents may contact the grade appropriate Team Leader to schedule team meetings.
- All student-to-student conflicts should be discussed with the School Counselor or the Assistant Principal.

Before & After School Hours

 - This is considered a privilege and all school rules must be followed. **Students may not use cell phones or electronics.**
- SSA+S does not provide after school care. All students must be picked up no later than 4:20 PM.
- If your student has not been picked up by 4:30 PM a detention may be issued to your student. If this becomes excessive and your student is not picked up in a timely manner on repeated occasions, your family may be dismissed from SSA+S and returned to your districted school.
- Students are expected to leave campus and go home after school if they are not involved in an after-school activity.
- Students participating in after school activities must be picked up by 5:15, unless otherwise noted by the club sponsor. If your child is picked up after 5:30, they may be dismissed from the after-school activity.

- **Student drop off is from 7:30 AM until 8:50 AM.**
- **Pick up is from 4:05 PM – 4:20 PM.**
- **Due to safe and orderly school regulations, parents/guardians may pick up and drop off students only at designated areas during designated times.**
- If this becomes an issue, said parent/guardian will be in violation of the parent/guardian contract, including the pick-up and drop-off procedures, and their child will be subject to immediate dismissal.
- Car tags will be available during schedule pick-up as well as copies of the traffic pattern map. Car tags **must** be used in all vehicles to insure a more streamlined traffic flow. If a replacement tag is needed during the year, please email the Front Desk Coordinator and the school will send home via student. The purpose of using car tags is for your benefit as a parent, as it streamlines the pick-up process.

Clinic

- Whenever a student becomes ill while at school, he/she should report this to his/her teacher immediately and ask that his/her agenda book be signed by the teacher as their pass to the clinic. Students without a pass will be sent back to class.
- If the student is ill enough to be sent home, the clinic aide will contact the person(s) named on the emergency card.
- **Students are never permitted to use their cell phones for calls regarding illness or pickup. In addition, students may not use classroom phones if they are ill, they must call from the clinic. Interscholastic Sports Program

SSA+S students may compete in a variety of afterschool sports including soccer, basketball, girls' volleyball, cheerleading, cross country, golf, tennis, and flag football.

- To participate in sports or extracurricular activities, students must have a "C" average. These grades are based on the previous quarter's report card. Students who do not maintain a satisfactory academic standing, will be denied the privilege of participating.
- Students who have disciplinary or attendance issues may not be eligible to play or may be "benched" due to unsatisfactory behavior at the discretion of coaches and administration.
- Students that are not picked up promptly after practice or games may also be denied the privilege of participating in the subsequent games or activities.
- Student athletes may miss sixth and/ or seventh period on game days. If this occurs, students must attain their missed classwork/homework before leaving for the game that day. They may attend their 6th or 7th period class during their P.E. class time.

Students may stay afterschool to watch home games in our gymnasium. If students do so, they must report directly to the gymnasium by 4:15, in school uniform, and stay there until their parent/guardian picks them up. All school rules apply. Students are not permitted to leave campus prior to attending the game.

Dances- School-wide dances will be scheduled by the Student Council and/or other organizations. Two or three school wide dances will be scheduled each year.

- Dances are a privilege; students on suspension or who are on Activity Restriction because of disciplinary action will not be permitted to attend.
- Only current SSA+S will be permitted to attend.
- Inappropriate dancing such as slam dancing and suggestive or intimate dancing is not allowed.
- PDA or any inappropriate contact between students is prohibited and may result in student disciplinary consequences.
- All students must be picked up within 15 minutes of the end time or the student will not be allowed to attend the next dance without a parent/guardian as a chaperone. **Due to the late hour, students are not permitted to walk home from the dance.**

Discipline

Student Behavior Guidelines

- Discipline is essential to a safe environment conducive to learning.
- The SSA+S discipline policies and procedures are designed to make all students aware of the rules and responsibilities for their behavior.
- **Student discipline is a joint responsibility that must be shared by home and school.**
- Students and parents/guardians are required to sign contracts when applying for enrollment and are responsible for learning and abiding by the SSA+S discipline policies and procedures.
- Students with disciplinary issues may lose the privilege to participate in school activities, including field trips.

Bullying

SSA+S defines bullying as repeated, intimidating behaviors, via superior strength or influence, to intentionally harm a student, either mentally or physically. Bullying is not tolerated at SSA+S and is considered a violation under state law.

- Bullying can take several forms and can be both verbal and nonverbal.
- Bullying may be reported by anyone and can be done by completing a bullying form from the main office, via email to any staff member, and/or phone call to an Administrator.
- Bullying reports may be done anonymously.
- All reports of bullying will be investigated by Administration to determine validity.
- Investigations are always done confidentially.

Any student that has been found to be part of bullying on the SSA+S campus will be subject to strong disciplinary action and the incident will be documented in the student's file.

I understand that school is a place for learning. I understand that I choose how to use this time. I can get an education and learn more about myself and the world around me.

I understand that my teacher is responsible for many things. When I behave disruptively, I am making it hard for my teacher to do their job. This isn't fair and I don't have the right to do this.

I understand that the other students in my class have a right to the best education possible. When I behave disruptively, I not only keep the teacher from doing their job, I am also keeping students from getting the best education possible. This is not fair and I don't have the right to do this.

I understand that my behavior has caused me to miss out on valuable learning time. I understand that I made a decision to behave unacceptably in class and the consequence for this was being given this behavior essay. I understand that I have the power to make good decisions or bad decisions. When I make good decisions, I am rewarded. In school, this means getting a good education and feeling good about myself as a student. I understand that I deserve a good education and I have the power and responsibility to make this happen.

In the future, I will correct my behavior by making better choices. These are two steps that I will take to correct my behavior.
