Performing Arts Preparatory Program

The purpose of this program is to prepare students for successful entrance into related high school VPA programs, such as **dance, music, and theatre**. Successful completion of these courses will also increase the chance for acceptance into the program of choice for high school and will include a certificate of completion and a recommendation letter. Teachers will assist students with their audition preparations. Booker VPA also offers auditions on the SSA+S campus to current students. Enrollment and completion of this preparatory program does NOT guarantee admission into comparable high school programs.
