Sarasota School of Arts and Sciences

STEM - Science, Technology, Engineering, and Mathematics Program *Math, Science, and Technology Rich Curriculum*

The purpose of this program is to prepare students for the rigor of STEM related high school programs, such as a medical preparatory program, MaST, Suncoast Polytechnical, or Engineering. Successful completion of these preparatory courses in middle school will assist in being prepared with the prerequisites for the program of choice for high school and will include a certificate of completion and recommendation letters. Enrollment and completion of this preparatory program does NOT guarantee enrollment into a high school program.

Student and Parent Commitment Statement

I understand that High School Prep classes are for motivated students. Success in these courses may require time outside of the classroom for practice, study and completion of assignments.

Computer access and materials may be required for some assignments/projects.

Placement: GPA Science- 90% or better (plus ADV Science recommendation)

Math- 90% or better (plus ADV Math or Algebra recommendation)

LA & History- 80 % or better

Overall GPA: 3.0 or better

Technology/Digital Arts/ or STEM class required

Satisfactory Attendance Required

HS Credit Criteria: Must take Spanish 1 and Algebra 1 for high school credit (8th Grade)

Students are required to participate in one science competition during the year.

**Failure to maintain academic and discipline standards will result in dismissal from program.*
