- Failure to follow to follow all policies and rules as outlined in the Sarasota County Student and Family Handbook.

Sarasota School of Arts and Sciences Dismissal Procedure

The following information represents the school guidelines for student dismissal. Please note that all SESIR incidents will result in immediate dismissal.

1. Parent(s)/Guardian(s) will be notified of the student issue. Verbal or Written communication is acceptable and will be documented.
2. Student issue will be discussed at grade level team meeting for recommendations and interventions. Interventions can include referral to Guidance or ESE Liaison is applicable and documented by Team Leader.
3. Parent Conference with all student teachers and administrator and documented by Team Leader. Student can be monitored on weekly basis if necessary at this time.
4. If student issue persists, student will be placed on documented and dated student probation (not to exceed 4 weeks per probationary period). Parent(s)/Guardian(s), student, and administrator signature required.
5. If student does not satisfactorily complete student probation, parent contact will be made by administrator notifying that the student will be rescinded to his/her district school.

Parent Appeal Process

The parents and/or guardians of a student who has had their enrollment rescinded (dismissal) may appeal to the principal, within 15 business days, with a formal request letter and appropriate supportive documentation. Failure to do so within 15 business days negates any possibility of appeal.
