

Welcome to CAMB SEC 1 Math! This is a Pre-Algebra Math course in our Cambridge Program. You do not have to be in the Cambridge Program to be a member in this class. This is a huge accomplishment to earn the privilege of taking this class! The main goal of this class is to prepare you for taking Algebra (PRE-AICE MATH 1 IG) as an 8th grader.

This is an 8th grade level course. So, during this particular year, we will be briefly covering some 7th grade curriculum that sets you up for success in this course then the Pre-Algebra course work. You will be tested on the 7th grade standards for all of our in-class assessments and FSA.

We will be using a lot of cooperative learning and applying concepts to real world scenarios. We will use partners and small groups almost on a daily basis with the use of technology, hands-activities, journal reflections, etc.

ASSIGNMENTS ONLINE!

If you forgot to write down your homework or you missed class, look on ESD Gradebook and choose the calendar feature. I will load all assignments, tests, and quizzes for the week in the gradebook. Choose the calendar feature and plan your entire week! All classes will be listed in one helpful calendar!

MAKE UP WORK

The student has one school day to make up work for each school day excused absence (day for a day). For example, the student is out for 4 school days then the student has 4 school days to turn in the make-up work. Work can be made up for excused absences, out-of-school suspension, religious holidays, and excused tardies.

Students should use the extra copies bin and assignment calendar in the classroom to find missing work/ make up work.

Planned trips and holidays may not apply—try to do make up work BEFORE your trip. Remember to email the principal for approval of trips.

Parents may call the front desk to request make up work for any absences over two days.

Long term projects and tests scheduled before the absence do NOT apply. Students will sit for a test the day that they return.

LATE WORK

Students must turn in work when it is due so that they do not lose points.

Late work will lose 10% each day that it is late.

Long-term Projects will receive harsher penalties for tardiness. They will be accepted, however, for at least a 50% before the quarter ends.

Plagiarism or copying work will result in a zero and a detention.
