Cambridge IGCSE Global Perspectives

Welcome to Cambridge IGCSE Global Perspectives! This Cambridge IGCSE course emphasizes understanding patterns and views of contemporary globalization as well as economic, legal, political, and social issues. Students will develop greater debate, presentation, and research skills as well as broader international and legal frameworks for understanding domestic and global issues.

This elective course is designed for the Cambridge Academy as well as for students interested in AICE, AP, IB, and related college preparatory programs.

Students will be expected to read assigned articles and/or books outside of class in many instances and to come to class prepared to discuss the arguments posed in, and the implications of, the articles, books, and related readings. Students are also strongly encouraged to choose a variety of news sources (broadcast, online, print) in order to enhance our discussions and both broaden and deepen their knowledge of global, legal and societal issues.

GRADES

Grades will be available in the ESD Portal—students and parents should have their own individual log ins.

Keep this in your class folder.

MAKE UP WORK

The student has one school day to make up work for each school day excused absence (day for a day). For example, the student is out for 4 school days then the student has 4 school days to turn in the make-up work. Work can be made up for excused absences, out-of-school suspension, religious holidays, and excused tardies.

Students should use the extra copies bin and assignment calendar in the classroom to find missing work/ make up work.

Planned trips and holidays may not apply—try to do make up work BEFORE your trip. Remember to email the principal for approval of trips.

Parents may call the front desk to request make up work for any absences over two days.

Long term projects and tests scheduled before the absence do NOT apply. Students will sit for a test the day that they return.

LATE WORK

Students must turn in work when it is due so that they do not lose points.

Late work will lose 10% each day that it is late.

Long-term Projects will receive harsher penalties for tardiness. They will be accepted, however, for at least a 50% before the quarter ends.

Plagiarism or copying work will result in a zero and a detention.
