## MAKE UP WORK

The student has one school day to make up work for each school day excused absence (day for a day). For example, the student is out for 4 school days then the student has 4 school days to turn in the make-up work. Work can be made up for excused absences, out-of-school suspension, religious holidays, and excused tardies.

Students should use the extra copies file and assignment calendar in the classroom to find missing work/ make up work.

**Planned trips and holidays may not apply—try to do make up work BEFORE your trip. Remember to email the principal for approval of trips.**

Parents may call the front desk to request make up work for any absences over two days.

Long term projects and tests scheduled before the absence do **NOT** apply. Students will sit for a test the day that they return.

## LATE WORK

Students must turn in work when it is due so that they do not lose points.

Late work will lose 10% each day that it is late.

Long-term Projects will receive harsher penalties for tardiness. They will be accepted, however, for at least a 50% before the quarter ends.

**Plagiarism or copying work will result in a zero and a detention.**
