*ARTS CAMP
2018!*

*Summer Camp
Morning Class
(Two Weeks)*

This camp is a perfect place for creations by both beginners and advanced students.

Come join our studio this summer! We will work in a variety of clay techniques such as hand-building, Coil pots, slab building, and how to use the pottery wheel. We will also paint, draw, and learn about printmaking!

Please join both weeks to allow clay to be fired.
